2. The combination of current active participation in masters rowing, both nationally and internationally, and the historical perspective gained from being involved with the origination of both the masters committee and organized masters national competition in the US makes me will qualified to represent the Northeast and the at-large population on this committee.

#### **Margot Zalkind, Northampton Rowing and Potomac B.C.**

1. I've served on masters committee since 1992 and would like to continue on. As member then chair, and as USRowing staff, I helped create many initiatives:
  - Rowing masters egroup/listserv, national masters liaisons network, National Learn to Row Day, the club event at Masters Nationals, and others.I want to continually improve masters rowing, for the pleasure and the safety of the sport. I'd like us to be more relevant to the non-racing rower. I always welcome input.
2. I'm co-chair of the USRowing safety committee, was chair of the USRowing masters committee, Potomac B.C. racing chair, started Potomac Masters Women's Sweep program in 1992, Secretary of Occoquan B.C. for several years. ### **Junior Men's Committee**

#### **Will King, Jack London Aquatic Center (At-large position)**

I enjoy helping to improve our hiring, budgeting, fundraising and communication practices by bringing 25 years of business and non-profit experience to the committee.

2. One-term incumbent endorsed by predecessor Lou Lindsey. Designed 2005 coach selection process that resulted in six highly-qualified applicants competing for position.
